ILLUSTRATED HANDBOOKS OF THE HISTORY OF ART.

Specially prepared for Schools, Amateurs, and Students of Art.

EACH VOLUME CONTAINS MANY ILLUSTRATIONS, INCLUDING A PORTRAIT OF THE MASTER, AND IS STRONGLY BOUND IN DECORATED CLOTH.

From the 'ART JOURNAL.'—'*A series of books which can scarcely fail, for various reasons, to be of the greatest use to Art Students of every kind, the first and primary reason being their "handiness," for they occupy a place between the meagre sketches one generally finds in biographical dictionaries, and the more elaborate histories which have been written by men whose sole object seems to have been to collect every atom of information that could be gathered together respecting the life and works of the artist who chances to have been made the subject of the book.*'
